Dear Sirs,

This letter serves to confirm that MSD Engineering is appointed to act in the capacity of distributor and consultant to the industry on behalf of Valard Bearings, in the Carletonville Area.

MSD Engineering is the only company in the area approved to conduct this type of work on our behalf, and this is always done in consultation with our own technical personnel.

Sincerely

A handwritten signature in black ink, appearing to read 'Alec Scott-Turner', with a stylized flourish at the end.

Alec Scott-Turner
